During NATIONAL NEWSPAPER WEEK,  
October 15-21, we who publish the news,  
want to meet you, who make the news!

Come, "meet the press." Meet the people behind the scenes who bring you the news and reviews, the ads and the myriad of special features that are integral to this paper. These people are your friends and neighbors, working for a 100% hometown newspaper dedicated to the betterment of our community, state and nation. They bring you all the news, big and little, good and bad. This is their way of preserving our cherished American tradition of freedom of the press and the people's right to know.
